Subject: coal ash
[AESPuertoRico20130402_15103289.pdf](#)

Hi there. I understand that the legislative hearing on coal ash has been moved by a week. I thought this letter would be of interest: AES Puerto Rico, L.P. is threatening the municipality of guayama for possible \$2.5 million payment because the municipality retracted the use of coal ash in their community. Please call me at your convenience: 212 637 5000 thank you
